To: County Superintendents of Schools, County Auditors, and
County Treasurers

From: Janet Sterling, Director
School Fiscal Services Division

Subject: Notice and Schedule of the Second Apportionment for School Development Plans of
the California Professional Development Program (SB 1882)
Fiscal Year 1999-00

This second apportionment, in the amount of \$3,949,390, has been made from funds provided in Item 6110-193-0001(b) of the 1999 Budget Act (Chapter 50, Statutes of 1999). This apportionment is made in support of the SB 1882 (Chapter 1362, Statutes of 1988) program, the California Professional Development program, pursuant to *Education Code* sections 44670.1 through 44671.5. This program provides funding for participating local educational agencies (LEAs) to develop and support a "School Development Plan."

This apportionment represents the final 25 percent payment of SB 1882 funds to eligible LEAs for fiscal year 1999-00. The final rate has been increased to \$12.89 per 1998-99 first period (P-1) average daily attendance (ADA), with a statutory minimum of \$4,356 per LEA. LEAs are allowed to spend up to five percent for administrative costs and an additional five percent for the development and implementation of a "District Development Plan."

The California Professional Development (SB 1882) program is included in the new charter school categorical block grant funding model enacted by Assembly Bill 1115 (Chapter 78, Statutes of 1999). Therefore, charter schools that are participating in the model will receive their funding for this program as part of the categorical component of the charter school block grant, which was allocated in a separate apportionment. Charter schools that are not participating in the charter school block grant funding model will receive their funds for this program through their chartering agency.

Warrants will be mailed to each county treasurer approximately four weeks after the date of this Notice. For standardized account code structure (SACS) coding, use Resource Code 7315, Staff Development-School Development Plans (SB 1882), and Revenue Object Code 8590, All Other State Revenue. For non-SACS coding, use Income Account Code 8419, Staff Development. County superintendents of schools are requested to inform LEAs immediately of all pertinent data regarding this apportionment.
